

Porter Lesson Plan for Parents  
Week of April 20, 2020

1. Spelling Packet is posted in Jupiter Ed and Bright Futures Academy. I will also email it to you if you request it through email or class dojo.
2. Spelling Homework - We are going to continue our regular homework assignment - words written in abc order, sentences with each word, and your choice of rainbow words, triangles or staircases. You may turn this in by posting a picture or short video on class dojo. Upload it to your portfolio and send it to me by Sunday night.
3. i-Ready Reading and Math - at LEAST one hour (60 active minutes) in each subject.
4. Studies Weekly Social Studies (Teacher on cover) Week 12 if you haven't done it or go to week 13 and continue through each week until the end of the year.

Studies Weekly Science (boy with solar sunglasses on cover) Week 10 unless you already did it and continue on completing one lesson per week until the end of the year.

5. Xtramath - complete at least 5 lessons per week (7 is better!) this only takes a few minutes and is very important!
6. Prodigy - Play prodigy at least one hour per week to gain more math skills.

Split each word into TWO syllables. Look for the consonants in the middle of the word.  
If the consonants make two sounds, then split up the sounds. In BIN-GO, the N and G make two sounds.  
Otherwise, split up the middle consonants after the single sound. In JACK-ET, the CK makes one sound.
