

## Ms. Bayer – Grade 5

Monday to Friday: 4/27 – 5/1

Khan Academy videos and readings for Units of conversion of weight and word problems

Pearson Realize videos and worksheets for units of conversion of weight and word problems

Readworks passages and question sets. Use passage to do a compare and contrast diagram

Monday, Wednesday and Friday

Google meets starting at 11:00 (times may change due to shared internet at home and slow connection)

Friday is for help with assignments

Topics:

Math: Lesson about units of conversion of weight and word problems

Lang. Arts: Compare and contrast story elements, paired with American history stories.

Science: internal and external plant structures and functions. Study guide Monday and then test on Thursday

Student work:

Pearson worksheets for math, Readworks question sets for stories and vocabulary, plant structure study guide and test on Thursday
